KENTUCKY DEPARTMENT OF CORRECTIONS **DIVISION OF MENTAL HEALTH** **SEX OFFENDER TREATMENT PROGRAM (SOTP)** **COMMUNITY COMPONENT** **JEFFERSON COUNTY**

The Sex Offender Treatment Program is housed in the Southwest Office Of Probation and Parole. Clients are referred into this program by 1) court order; 2) Parole Board Order; 3) request for evaluation is made by a Probation and Parole Officer. The Officer needs to complete a *Sex Offender Treatment Program Community Services Referral Form* (see next page) and submit it along with a copy of the PSI and any pertinent information.

The Sex Offender Treatment Program, community component, is a three-phased program designed to assist sexual offenders in acquiring skills to prevent relapse. The length of time necessary to complete treatment is solely determined by the efforts of the client in completing Therapy Tasks./ Two to four years is a realistic range.

For further information contact Bruce Campbell (ext. 234), Teresa Bland (ext. 233) at 933-1719.

SUBSTANCE ABUSE PROGRAM (SAP)
JEFFERSON COUNTY

The Jefferson County Substance Abuse Program was begun in 1994. Its mission is to provide assessment, referral and case management services to clients being seen by Probation and Parole Officers in Jefferson County. Social Service Clinicians are located in each office to provide services. Clients need to be referred if 1) they are court ordered for a substance abuse evaluation and/or treatment; 2) they are Parole Board Ordered for services, and 3) they admit use or have a positive drug test. Clients being seen after being paroled who are graduates of an institutional SAP program need to be seen immediately by a Social Service Clinician. A *Referral for Alcohol/Drug Treatment/Assessment* form (see copy) needs to be completed and given to the Social Service Clinician when a referral is made.

For further information, contact the Social Service Clinician(s) in your office or contact Paulette Wachtel, Program Administrator, and West Region at 933-1719 x232.
